

SUSHI THAI GARDEN

R E S T A U R A N T

Welcome / Sawaddee / Irrasshaimase

Welcome to Sushi Thai Garden. Here you will have the opportunity to taste typical plates from Thailand and Japan like Tom Yum, Pad Thai, Curry, Sushi, Sashimi, Teriyaki, and much more. We invite you to know two of the most famous oriental foods.

Thai food is known to be chili hot, but traditional Thai dishes must not be predominantly hot. There must always be a harmony in the dish. The sharpness of the chilies and the spices in a curry dish are toned down by the sweetness of the coconut milk, which also enhances the flavors and tastes of other delicate ingredients and herbs. We also provide a lot of dishes which are prepared without the chili.

Japanese cuisine, famous for its artistic presentation, always uses the freshest and the best of the season's produce. Japanese food is not only visually very appealing, it is also healthy, with its traditional emphasis on noodles, vegetables and seafood.

Enjoy the finest selection of Thai food and Japanese food at Sushi Thai Garden. Have great pleasure dining with us!
